CALL FOR PEACE

The past year was characterised by the most brutal violence unleashed against our people. All peace-loving South Africans are still deeply touched by the carnage that gripped our country. Let's ensure that 1991 does not experience a replay of the past. While political formations cannot be wholly exonerated from those tragic events, we should not lose sight of the fact that apartheid was and still is responsible for most of the violence in our country. Whatever form violence takes, the evil hand of apartheid will always be there.

Call to political formations

* We need to unite ourselves in a patriotic front to be able to move speedily to a free, democratic and non-racial South Africa.

* Let's find common ground in our rejection and opposition to apartheid.

* Let's build a culture of political tolerance within and between our structures - we don't have to agree with one another, however, we should respect every person's viewpoint.

* Let's remember, always and everywhere, that it is apartheid and its agents that are fueling suspicion, hatred, fear and violence amongst our people.

THE BASIS FOR PERMANENT PEACE WILL BE WITH US ONCE APARTHEID IS ERADICATED.

Call on all the people of South Africa

* Let's all ensure that the process of change is irreversible

* Through our disciplined and peaceful campaigns, let's bring about a constituent assembly - to draft a constitution that reflects the will of the people, and the interim government to oversee a smooth transition.

Let's bring into being a government that will not have death squads, vigilantes and assassins. Let's have a government that will respect the rule of law.

LET US ALL MAKE A FRESH START IN 1991, LET US WORK, SINGINGLY AND COLLECTIVELY, FOR A PEACEFUL SOUTH AFRICA.
