STATEMENT ON AZAPO / UDF CONFLICT

We are pleased to hear that AZAPO is willing to take practical steps to resolve the tensions that exist.

However we are still awaiting an official response from AZAPO to our letter which had been delivered to them on 6 May 1985

We believe that matters like these should be sorted out officially and responsibly among those concerned.

For us to respond to this matter via the newspapers will be grossly irresponsible, reckless and playing into the hands of the oppressors.
